

CLUB SPORTS STRUCTURE

Office of Recreation and Wellness

Department of Health and Recreation

The Office of Recreation and Wellness oversees the Club Sports Program. Student Organizations are placed within the Club Sports Program by the Recognition Committee. The Club Sports Program manages two types of student organizations- Competitive Club Sports and Recreational Club Sports. The Club Sports Professional Staff determine which Club Sports Fall under competitive or recreational.

1. Competitive Club Sports

a. Competitive club sports are recognized student organizations that consistently compete against non-Butler students in events and competitions related to physical and sports activities.
