

Dream Las Vegas Review

Developer Shopoff Real Estate Investment and Contour broke ground on Friday, July 7, 2022, at the \$550 million Dream Las Vegas Casino Resort on Las Vegas Boulevard near the McCarran International Airport in Las Vegas. The ceremony marks the start of construction of the property, which is expected to open in late 2024. The project will reportedly include a restaurant, nightlife, three-story pool deck, conference and event space.

Dream Hotels Group, a New York-based hotel and brand management company, received approval from the Clark County Board of Commissioners on Oct. 6, 2021, for a 19-story hotel casino planned to be built on Las Vegas Boulevard that crosses the Mandalay Bay Resort and Bali High Golf Club near the southern edge of Streep. The developers hope to begin construction by the end of the second quarter of 2022 or the beginning of the third quarter of 2024.
