	<ol style="list-style-type: none"> 1. Geographical indication 2. Design 3. patent 4. copyright 	
29	<p>E-business refers to carrying on business activities through internet. It includes electronic transaction related to industry, commerce and trade. Benefits of E-business</p> <ol style="list-style-type: none"> 1. Easy to form and Lower investment is required 2. Convenience 3. Speed 4. Global Reach 5. Cost saving 6. Movement towards a paperless society($\frac{1}{2}$ for heading $\frac{1}{2}$ for explanation, any 3) <p style="text-align: center;">OR</p> <p>Scope of E- Business</p> <ol style="list-style-type: none"> 1. B2B Commerce 2. B2C Commerce 3. C2C Commerce 4. Intra – B Commerce($\frac{1}{2}$ for heading $\frac{1}{2}$ for explanation, any 3) 	4
30	<p>The next steps to be followed by Pradeep in export trade are:</p> <ol style="list-style-type: none"> 1. Production or procurement of goods 2. Pre-shipment inspection 3. exercise clearance 4. obtaining certificate of origin <p>($\frac{1}{2}$ for heading $\frac{1}{2}$ for explanation)</p>	4
31	<p>A banking company in India is the one which transacts the business of banking which means accepting, for the purpose of lending and investment of deposits of money from the public, repayable on demand or otherwise and withdrawable by cheques, draft, order or otherwise. In simple terms, a bank accepts money on deposits, repayable on demand and also earns a margin of profit by lending money. (1mark)</p> <p>Types of bank account :</p> <ol style="list-style-type: none"> 1. saving account 2. current account 3. fixed deposit account 4. recurring deposit account 5. multiple option deposit account <p>($\frac{1}{2}$ for heading $\frac{1}{2}$ for explanation)</p> <p style="text-align: center;">OR</p> <p>1. Proximate cause: ‘Causa Proxima or closest cause is another name for proximate cause. When a loss is caused by two or more causes, this principle applies. The insurance company will investigate the most recent cause of loss. The insurer must pay compensation if the proximate cause is the one for which the property is insured. If it is not a cause for which the property is insured, the insured will not be compensated.</p>	6

	<p>2. Contribution: Contribution creates a symbiotic relationship between all of the insurance contracts engaged in an incident or dealing with the same subject. Contribution permits the insured to seek indemnity from all of the insurance contracts involved in their claim to the amount of real loss.</p> <p>3. Subrogation: Subrogation occurs when one creditor (the insurance company) takes the place of another (another insurance company representing the person responsible for the loss). After the insured (policyholder) has been reimbursed for a loss on an insured piece of property, the insurer gains possession of the property.</p> <p>4. Mitigation'. According to this principle, it is the duty of the insured to take reasonable steps to minimize the loss or damage to the insured property.</p> <p>5. Indemnity: this principle states to put the insured in the event of loss in the same position that he occupied immediately before the happening of the event.</p> <p>6. Insurable interest: the insurer must have an insurable interest in the subject matter of the insurance. (1 mark each)</p>	
32	<p>AChampak Is engaged in wholesale trade. (1 mark)</p> <p>B.The two parties are manufacturer and retailers. ($\frac{1}{2} + \frac{1}{2}$)</p> <p>C.Services of wholesalers to manufacturers: facilitate large scale production, bearing risk, financial assistance, expert advice, help in marketing function, facilitate continuity of production, warehousing.
