

Background

Each year, [Carnegie Corporation of New York](#)'s Andrew Carnegie Fellows Program recognizes a select group of extraordinary scholars and writers who receive philanthropic support for scholarship in the humanities and social sciences that addresses important and enduring issues confronting our society. On April 26, we will announce the 2022 class of Andrew Carnegie Fellows.

We invite you to join us in congratulating the 2022 Andrew Carnegie Fellows and sharing details of their winning projects. In this toolkit you'll find graphics along with suggested posts and language for emails/newsletters, but please feel free to write your own posts or edit the copy — you know your own channels and audiences best!
