

## A Message from the Principal

Dear Gibbs Families,

I hope everyone enjoyed a restful weekend and found time to relax and recharge! As we step into a new week of learning, I continue to be so proud of the hard work, curiosity, and kindness our students bring to school each day. Thank you for your ongoing partnership in helping to make William B. Gibbs, Jr. Elementary is a place where every child feels valued and inspired to grow.

Here's a reminder to check our Gibbs Family Calendar available in both [English](#) and [Spanish](#). These calendars are live documents and are updated regularly as times, dates, and additional details become available. For this reason, we recommend viewing them online rather than printing to ensure you always have the most current information.

*Mrs. Sampson*

## PTA Meeting Highlights – October 7, 2025

During last week's PTA meeting, Mrs. Grande shared helpful information about the upcoming Measures of Academic Program (MAP) assessment and DIBELS assessment. MAP is a computerized adaptive test developed by NWEA that measures student achievement and growth in reading and math. The test adapts its difficulty based on the student's performance. DIBELS. Here are the slides MAP/DIBELS Slides for PTA 10/7/25 in case you missed the meeting.

## **Gibbs Gator News October October 13 - October 20**

Ms. Monfared, our NAACP representative, discussed an exciting potential field trip to the National Museum of African American History and Culture in Washington, D.C. a special opportunity we hope to offer to Gibbs students, families, and staff in the near future.

In addition, we celebrated the success of our Boosterthon event. A big thank you to our AMAZING PTA, volunteers, families, students, and our other dedicated Gibbs staff for your hard work and support in making this program such a success!

We also discussed some updates to the fifth grade field trip to Medieval Times.

# **IMPORTANT UPDATE: Family Communication at Gibbs and MCPS is Changing!**

## **Parent Communication Update**

Our district is phasing out the use of Remind as a communication tool for families, as ParentSquare has recently acquired Remind. Beginning November 30th, William B. Gibbs, Jr. Elementary will no longer use Remind to send messages, newsletters, or updates to families. Starting that date, ParentSquare and Synergy/ParentVUE will be our only communication platforms; the principal's weekly newsletters will be sent via ParentSquare.

For your convenience, the principal's weekly messages will also be posted on our school website no later than the Monday following each Sunday message to families, ensuring you can always access the latest updates.

We strongly encourage all families to download the ParentSquare app to stay connected and informed. Many of our teachers have already begun using ParentSquare to communicate directly with parents and guardians.

Thank you for making this transition with us and ensuring that you continue to receive all important school information.

Please scan the QR code to download the app and sign up today! If the QR Code does not work for you, please download the app from the Apple or Google Play Store!

## Love the Skin You're In

What does it truly mean to *love the skin you're in*? Through this empowering art and literacy program, students will explore identity, self-expression, and the beauty of diversity. Using acrylics and portraiture, they'll create meaningful artwork while learning vocabulary and engaging in conversations about self-love and appreciation for others.

Join us in celebrating every shade, story, and self.
