

Techniques and Technology: use a variety of techniques and technological tools when performing music and composing and/or arranging music.

	Level 4	Level 3	Level 2	Level 1
Application – The use of knowledge and skills to make connections within and between various contexts				
Application of knowledge and skills <i>(e.g., performance skills, composition, elements, technologies, techniques, strategies)</i> in familiar contexts <i>(e.g., performance of a familiar work or guided exercise)</i> <i>I can use techniques when playing or composing music</i> <i>I can use technology to self-assess my progress</i>	applies knowledge and skills in familiar contexts with a high degree of fluency	applies knowledge and skills in familiar contexts with considerable fluency	applies knowledge and skills in familiar contexts with some fluency	applies knowledge and skills in familiar contexts with limited fluency
Transfer of knowledge and skills <i>(e.g., concepts, strategies, techniques)</i> to new contexts <i>(e.g., a work requiring stylistic variation, an original composition)</i> <i>I can transfer techniques into a variety of musical works</i>	transfers knowledge and skills to new contexts with a high degree of flexibility	transfers knowledge and skills to new contexts with considerable flexibility	transfers knowledge and skills to new contexts with some flexibility	transfers knowledge and skills to new contexts with limited flexibility
Making connections within and between various contexts <i>(e.g., between the arts; between culture and history)</i> <i>I can make connections between techniques and different styles of music (cultural, historical, genre)</i> <i>I can make connections between techniques and different art forms (eg. dance)</i>	makes connections within and between various contexts with a high degree of depth	makes connections within and between various contexts with considerable depth	makes connections within and between various contexts with some depth	makes connections within and between various contexts with limited depth

Fluency → ease of use, flawless, seamless

Flexibility → able to change according to the situation; accommodating; ready and able to change so as to adapt to different circumstances.

Depth → amount of support/evidence; pushing the boundaries of human knowledge; building knowledge
