

DATA USE COMMITMENT STATEMENT

Request for Access to the Grand Challenge on Multimedia Verification Training Data

Dear Challenge Organizers,

I, <Your Name>, of <Affiliation>, hereby request access to the training data of the **Grand Challenge on Multimedia Verification** (hereafter "the Dataset"). By signing this statement, I acknowledge and agree to the following:

1. Research Use Only

- The Dataset will be used **solely** for non-commercial academic research and educational purposes.
- The Dataset will not be used for any commercial purpose, product development, or any activity that may harm the individuals or organizations appearing in the content.
- Intended use: <Briefly describe your research purpose>

2. No Sharing or Redistribution

- I will **not** share, redistribute, sublicense, publish, or otherwise make available the Dataset, in whole or in part (including copies, subsets, or modified versions), to **any third party**, including colleagues within my own institution, without prior written permission from the organizers.
- I will store the Dataset securely and restrict access to myself only.
- Upon completion of my research, or upon request by the organizers, I will delete all copies of the Dataset in my possession.

3. Citation

- Any publication, thesis, report, or presentation that uses the Dataset or results derived from it will cite the following paper:
Duc-Tien Dang-Nguyen, Morten Dahlback Langfeldt, Henrik B. Vold, Silje Førsund, Minh-Son Dao, Sohail Khan, Kha-Luan Pham, Marc Gallofré Ocaña, Minh-Triet Tran, and Anh-Duy Tran. 2025. *The 2025 Grand Challenge on Multimedia Verification: Foundations and Overview*. In Proceedings of the 33rd ACM International Conference on Multimedia (MM '25). 14028–14033.

4. Ethics & Compliance

- I understand that the Dataset may contain real-world multimedia content, including misleading or sensitive material, and I will handle it responsibly in accordance with applicable laws (including data protection regulations such as the GDPR, where applicable) and the ethical guidelines of my institution.
- I will not attempt to identify, contact, or profile individuals appearing in the Dataset.
- The Dataset is provided "as is", without warranty of any kind. The organizers reserve the right to revoke access in case of any breach of these terms.

By signing below, I confirm that I have read, understood, and agree to comply with all of the terms above. I will return this signed statement in PDF format to anh-duy.tran@kuleuven.be and ductien.dangnguyen@uib.no.

☐ I agree to the Data Use Commitment Statement above.
