Dear Reader,

The confirmation document you have access to contains the following, in the following order:

- 1) Faith's Philosophy of Confirmation;
- 2) The Purpose of Confirmation;
- 3) Faith's Commitment to Confirmation Candidates;
- 4) The Evaluation Standards used for students in the program;
- 5) Two (2) example lessons from the "Year One" series of lessons:
 - a. Year One Lesson One
 - b. Year One Lesson Nine
- 6) Two (2) example lessons from the "Year Two" series of lessons:
 - a. Year Two Lesson One
 - b. Year Two Lesson Four

NB: Lessons are simply labeled as "weeks" in the schedule that appears at the top of each lesson outline.

The lesson outlines are provided merely as examples and should only serve as a starting place for the lessons you might write for your own context. Not included are other activities that we at Faith use to build community and reinforce learning in the confirmation program such as family game nights, sports nights, etc. Also not included are outside resources that we use to help students with memorization tools, etc.

My prayer is that these resources help you in ongoing conversations and curriculum work in your ministry context.

In Christ,
