

**D.S. Johnson Elementary School  
Home of the Jaguars!**

10/6/24

This is Dr. Lee, Principal at D.S. Johnson, with your weekly call and updates for next week.

I hope you all have had a wonderful and restful weekend and are ready for another great week at D.S. Johnson.

October is National Bullying Prevention Month. Every morning our students will hear an informational and motivational message from our counselor to promote awareness and kindness. Lessons will also be embedded throughout the month!

October is also Breast Cancer Awareness Month. This Friday, October 11th we will show our support with a school-wide pink out! Get your best pink outfits ready!

On Saturday, October 12th, In His Way Ministry will host a clothing giveaway at their church location right across from school at 601 North Fairview Road. This event is from 8:00-11:00 and they have plenty for everyone!

Throughout the week, we will be collecting cases of water for those impacted by Hurricane Helene in Western NC and surrounding areas. If you can donate a case of water, you can drop it off in the front office. In collaboration with our community partner, Precious and Pretty Girls Organization, we will be sending the water directly to those impacted. Every little bit helps!

Lastly, I want to remind you that if students bring cell phones to school, they are to be off and in their book bags until after school. The school will not be responsible for lost, stolen, or broken items brought to school. All students are provided a device in all classes, so cell phones or home devices are not needed for students to connect to their work. If they don't need the cell phones for after school care or programs, it is best to leave them at home.

We thank you for your continued support! We are excited and ready every week to see our Jaguars reach higher levels of success and you all are key players in this mission.

We are excited for another great week at D.S. Johnson where we are Next Level focused!

Have a great evening!
