

PRIVACY POLICY

This privacy policy governs your use of the software application Biggie's for mobile devices. The Application is a membership app for Biggie's.

What information does the Application obtain and how is it used?

Once you register to the app, we store your basic information you used in registration. This information is used to show your name and email in your member card screen, and allow venue owners to contact you with relevant marketing messages on different methods, such as emails and push notifications. Once you join the app, venue owners can see your name, email, and other relevant information in order to give you perks, e.g. personal benefits, membership statuses or discounts for event tickets.

User Provided Information

The Application obtains the information you provide when you download and register the Application. Registration with us is mandatory in order to be able to use the basic features of the Application. When you register with us and use the Application, you generally provide (a) your name, email address and other registration information; (b) transaction-related information, such as when you respond to any offers, or download or use applications from us; (c) information you provide us when you contact us for help; (d) information you enter into our system when using the Application, such as contact information. We may also use the information you provided us to contact you from time to time to provide you with important information, required notices and marketing promotions.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Does the Application collect precise real time location information of the device?

When you visit the mobile application, we may use GPS technology (or other similar technology) to determine your current location in order to determine if you have entered one of the supported venues. With your permission, we may share your current location with other users or the venue you are in. If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

Do third parties see and/or have access to information obtained by the Application?

Yes. We will share your information with third parties only in the ways that are described in this privacy statement. We may disclose User Provided and Automatically Collected Information:

- As required by law, such as to comply with a subpoena, or similar legal process;
- When we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request
- With our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- If Cluby Oy is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

What are my opt-out rights?

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at brianmaruti@gmail.com.

Data Retention Policy, Managing Your Information

We will retain all personal data provided by you and collected by the application for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to 60 months and thereafter may store it in

aggregate. You can request deletion of your data by sending email to brianmaruti@gmail.com. At your will we can rectify, delete and/or restrict processing of your personal data. We can also, per your request, provide all collected personal data in machine readable format. All such requests will be responded to within 30 days. All requests and enquiries concerning your personal data should be forwarded to brianmaruti@gmail.com. Please note that some or all of the personal may be required in order for the Application to function properly.

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 18. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at brianmaruti@gmail.com. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will update our Privacy Policy by posting the new Privacy Policy here. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By approving this privacy policy, you are consenting to our processing of your information as set forth in this Privacy Policy and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place inside the EU.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at brianmaruti@gmail.com.
