

For the Concurrent Enrollment Digital Form you need your confirmation #.

The Confirmation # is only given at the time you complete the online application. It is not emailed to you. If you did not write it down, you need to log back in to CCC Apply to get your confirmation number.

1. Log in to [CCC Apply](#)

The screenshot shows the OpenCCC login interface. At the top is a dark blue header with the California Community Colleges logo and the text "OpenCCC". Below the header, a message states: "To continue to a secure web application, please sign in or create an account." The main login area is a white box containing a "Sign In" button, a "Forgot?" link, and a "Cambiar a Español" button. Below these are input fields for "Username" and "Password", each with a placeholder text "- Enter OpenCCC Username -" and "- Enter OpenCCC Password -" respectively. A "Sign In" button is located to the right of the password field. Below the input fields is a link that says "Create a New Account". At the bottom of the page, it says "A Service Of The California Community Colleges Chancellor's Office" and provides links for "Help", "Terms of Use", "Privacy Policy", and "Accessibility".

2. View your submitted applications and copy your confirmation #.
