

Hi random citizen!

I made this on my Chromebook with no extra setting. I'm just an old bastard who loves to mess with my unbreakable Chromebook which I got on my birthday.

If you like my website, please follow...

This is my other website:

1. [Movies](#)
2. [Store](#)
3. [YouTube](#)

...and my wife also has a YouTube. Say hi to her on her [YouTube channel](#).
