Summer Segue celebrates summer the way we like with:

- Good friends
- Camp songs
- Great counselors
- And real Camp fun!

Summer Segue is offered primarily for our Dwight Englewood Community, welcoming Lower School students (returning and new) and the children of D-E faculty & staff. We do have a number of seats open to the local community. It's the perfect place to land between the end of summer season and the beginning of a great school year. Note our "[camp readiness checklist](#)."

There's also an opportunity for leadership growth for students in grades 7-10 with our Blueshirt LIT Program.

- 'Tis the season to continue to celebrate all good things as we transition from summer to school. It's all BOLD learning & fun.

This postseason camp will best suit campers and families looking for transition time. Families may sign up for as many days as they need. This is expected to be a popular offering; early registration is encouraged. See sample schedule by clicking [here](#).
