

Room 10 News – 8/28/25

Hi Families,

I had a fantastic first day with your children! We are going to have so much fun together!

Just so you know, we will be working on routines, expectations, and creating a sense of community in Room 10 for the next couple of weeks. In my opinion, these are the big three for any classroom because without them a class is like a ship lost at sea!

IMPORTANT – This paper note in communication folders was also sent through email earlier today. If you did not receive it and have an email address, please email it to me so I can add you to our group email list. I apologize if you had sent me your email over the summer and I inadvertently left you off the list.

My address is: brian_odonnell@waylandps.org

Important Things to Know

1. Please check out my webpage for our specialist schedule and other important information.

2. Communication Folders need to be returned daily.

3. Students are encouraged to keep a small water bottle at their desk.

4. Please make sure your child knows how he or she is going home daily.

5. We have split specials with Second Grade Spanish Immersion. Below is your child's schedule for specials.
