

Privacy Policy for SolarJewel

Effective Date: December 11, 2025

1. Introduction

This Privacy Policy describes how SolarJewel ("we," "our," or "the App") handles your information. We are committed to protecting your privacy. SolarJewel is an astrology application designed to perform planetary calculations locally on your device.

2. Data Collection and Usage

We do not collect, store, or transmit your personal data.

SolarJewel operates as a standalone application. All astrological calculations, including planetary positions and chart generation, are performed directly on your device using the internal physics engine. No personal information is sent to external servers or third parties.

3. Third-Party Services

The App does not currently use third-party analytics or advertising services that track user behavior.

4. Children's Privacy

We do not knowingly collect or solicit personal information from children under the age of 13. If you are under 13, please do not use the App or send any personal information to us. In the event that we learn that we have collected personal information from a child under age 13, we will delete that information as quickly as possible.

6. Changes to This Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page.

7. Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact
