

CAHPR East Anglia Conference (CEAC) 2022

Saturday 21st May 2022

Keystone Innovation Centre, Croxton Road, Thetford, Norfolk, IP24 1JD

CEAC 2022 aims to encourage, support and promote high quality research conducted by and involving Allied Health Professionals (AHPs). The conference is a great opportunity for networking with AHPs from across the region and showcasing work.

Abstracts are invited for oral or poster presentation on any aspect of research, quality improvement or audit completed by or involving the work of Allied Health Professionals.

Guide for authors:

Please read the following guidelines and submit your abstract by email to r.strudwick@uos.ac.uk

The closing date for receipt of submissions is Friday 22nd April 2022. You will receive email notification of whether your abstract has been accepted. The selection will be made by members of the CEAC 2022 planning committee by Wednesday 27th April.

Abstracts must be submitted on the form provided below and be no more than 300 words (250 if tables are included).

Please structure your abstract using the following four conventional headings:

Introduction.

Methods.

Results.

Conclusions.

CAHPR East Anglia Conference 2022 provides an opportunity to present studies that are in progress but not complete and planned studies that have not yet started. We are happy to consider abstracts describing on going or planned projects, but these should still be structured as described above.
