

Family Background

Me and my family are from India. We all speak a language called Hindi. Hindi is the main language all Indians speak. I am an only child in my family. When I was living in India I used to live with my grandparents most of the time. Since my Mom and Dad both had jobs in which they traveled a lot. I used to spend most of my time by playing with my younger boy cousin Devansh. He is not my only cousin, but he is my closest cousin. He is autistic but I still love him. Every Saturday me and my family would all get together at my grandmother's house {dad's side}. It used to be Me, Mom, Dad, Cousin, Aunt, Uncle, Grandmother, Grandfather, my Grandmother's Brothers and Sister-in-law.
