Drop-Off

9:00am Monday

DIRECTIONS TO OUR FARM

Elizabeth is a small town located just Southeast of Galena, IL. Take US-20 W to downtown Elizabeth. Take an early left on Sycamore until you see our large camp sign and reach a gravel parking area.

DROP OFF PROCEDURE

Once you arrive, please park in the gravel lot which is located at the foot of our driveway. Unload your camper's luggage and we will greet you and help align campers by cabin cohort at 9:00am. Please label each of your 3 bags clearly, as it's likely we will ferry some up in the wagon, gators and on the golf cart. Campers (and parents too, if you'd like) will head up to the barn, meet counselors, communicate with Karli about medications/allergies/suggestions for the week, and say goodbyes. In the interest of your camper's engagement in the farm and avoiding drawn-out goodbyes, the drop off at the barn should take less than 10 minutes. Parents may return down to their car on foot or by shuttle.

Pick-Up

2:00pm Friday

We invite you to join us at 2pm on Friday for a snack and camper-led tour of the farm. Snacks will be grown or prepared by campers! Events will wrap up by 2:45pm when we invite you to explore Elizabeth's small businesses and the farmers market!

The snack and tour is an important part of the week, as campers get to share their favorite experiences with you and demonstrate the confidence, responsibility and sense of ownership they've built at the farm. If at all possible, it would be ideal to have at least 30 minutes to experience this with your child. Additional and extended family members are welcome to join.

The Elizabeth Farmer's market runs Friday from 3-6pm at Terrapin Park (on Hwy 20), and is a nice wrap-up to the week. Three Sisters Sweet Shoppe and E-Town cafe, both in Elizabeth, have ice cream.
