

2027 AP Fees and Registration Dates

It is BISD policy that students take the AP exam for each class they are enrolled in*, except for when there are extenuating circumstances.

**AP Pre-Calculus students have the option to decide whether or not to take the AP exam. They must notify their teacher of their decision by November 1st. Same fee rules apply.*

To have an AP exam ordered, two steps must be completed:

1. Register for AP Exam(s). Students must have a [College Board account](#) and enter a unique join code for each AP course they are enrolled in. AP teachers give students this join code at the start of the school year.
2. Pay exam fees through the [online payment site](#) or in person at the BHS Accounting Office by cash or check payable to Bainbridge High School.

\$125 per test if registration (step 1) is completed by November 13th

\$165 if registration is completed between Nov 14th and March 12th

Students can be assured that they have registered correctly by accessing My AP in their College Board account and seeing each AP course they are enrolled in.

Students/families can verify that payment has been made by checking payment history via the [online payment site](#).

Important Dates:

Dates	Description
October 1	Exam fees will be listed on your student's account in the online payment site . Payments can be made <u>online</u> or in person by cash or check payable to BHS.
Oct 1-Nov. 5	Scholarship application due no later than November 5th.*

Nov. 13	College Board early registration deadline @ \$125 per test
Nov. 14– Mar. 12	College Board test registration continues @ \$165 per test. (\$125 + \$40 late registration fee)
March 12	College Board AP Exam registration ends.
May 3– 14	Digital AP Exams are administered at all schools following the College Board schedule. Students who have registered and paid for exams will have a test in the Bluebook app. Digital AP Exams for students with College Board–approved accommodations are administered centrally following the College Board schedule.

**Scholarship application is available for those who do not qualify for Free/Reduced meals but who would like to request financial aid. Families who have qualified for Free/Reduced meals after October 1st and completed the Release of Information Form in Skyward will register for AP exams at no cost.*
