

KISSES

Forehead pecks. Short and sweet. Affectionate.
One. Two. Three. Four for good measure.

Butterfly kisses.		Butterfly kisses.
Flutter. Just like your heart.		Flutter. Just like your heart.
Bump. Bump.	Don't	Bump. Bump.

	of noses	
Cheek kisses.	ramming into	Cheek kisses.
Casual.	each other;	Casual.
Friendly.	awkward but,	Friendly.
Familial.	somehow,	Familial.
	cute, too.	

Warm. Warm.
One. Two. Three. Licking. Curling.
French kisses are nerve-wracking and slimy; they
make my mouth feel like I just gave a four minute oral
presentation. In front of forty thousand people.
And then there's lip biting. It means
s o m e t h i n g.

ine kisses. To give that

Neck kisses are serious. Biting is dangerous,
though; there are some games we must play
without anyone ever knowing.
Tickles from the grazing of lips and
shock from the crispness of pearly white, beautifully sharp teeth.
