## Wolds We

### 1. Crime and ASB.

You can obtain Crime and ASB data for your own area by visiting [www.police.uk](http://www.police.uk) , clicking on "whats happening in your area" and entering your postcode.

### 2. Crime issues of particular note.

- A vehicle parked on York Road, Market Weighton was damaged.
- Entry was gained into a large secure outbuilding at a property near to Market Weighton which was then searched and several items stolen.

### 3. Community Priorities.

The Neighbourhood Policing Team meet regularly with partners to ensure we have a multi-agency approach to local issues, individuals and problem solving. These meetings are regularly attended by partners including Humberside Fire and Rescue Service, Youth and Family Support, Housing Officers, Environmental Health and the East Riding Anti-Social Behaviour Team. We share information and resources to deal with local neighbourhood issues, in particular, those identified as causing the most harm in the community. We also continue to patrol Market Weighton and the surrounding rural areas during our shifts and post on Social Media on a regular basis as a way of keeping everyone updated.

### 4. Crime Prevention Advice.

#### **SHED AND GARDEN SECURITY**

Lighter nights often means criminals are on the prowl for easy pickings from gardens, sheds and garages. As the weather starts to warm up, we all spend more time outside, but we all also get a bit lax about leaving our property around and locking our sheds and garages when we use them.

Opportunist criminals are always on the lookout for bikes, tools, sports equipment and fishing tackle in sheds and garages, as well as in gardens.

So, if you haven't assessed your security for some time then we would urge you to look at your sheds, garages and outbuildings and see how secure they really are. Do you need a better lock, an alarm, lighting, or even CCTC? Below are some areas to consider:

- Make sure your shed or garage is secured with a good quality lock.
- Keep back gates locked when not used.
- Check there are no bins, composters or trees that can be used for climbing over your garden fence to gain access – consider planting thorny bushes inside the fence to deter entry.
- Do you have security/motion sensor lights? They can be a great deterrent if your home or garden is secluded from street lighting.
- Loop a strong chain through the handles of your garden tools and connect the ends with a strong padlock. If possible, fix a large metal eyelet to part of the shed frame and loop the chain through it. Alternatively consider installing a lockable storage cupboard within your shed/garage to store valuable items in, as this will also form a second line of defence to thieves.

# Parish/Town News Release

- As well as protecting property in sheds, plant pots which will be less desirable.
- Many shed windows are never used, if this is the case – why not screw them shut. Fitting mesh or steel bars across the window from the inside allows light to enter but means the thief has to go to a lot of trouble to remove them. Replace broken glass with laminated glass.
- If you have a household alarm, consider extending it to cover your outbuildings or fit a bespoke shed/garage alarm.
- Check your home contents policy to see if you are covered in the event of a break-in.
- If you have an expensive bicycle or motorbike, make sure you have a good quality lock securing it when it is not being used.
- For reference record a description and add photographs of your cycles, golf clubs, fishing equipment, tools, and any other valuable property free on [www.immobilise.com](http://www.immobilise.com).
- Consider marking your property too using a visible permanent marker (eg waterproof paint, engraving or permanent marker pen) or if you prefer an invisible marker (UV pens etc). It is recommended that you put your postcode prefixed with the number of your address, this allows any recovered stolen goods to be identified and returned to the owner.

## 5. Surgery dates.

PCSO Nikki Cliffe will be holding a drop in surgery on the following dates:  
Monday 11<sup>th</sup> April (10:30 - 2:30pm) at Market Weighton Community Hall.  
Wednesday 20<sup>th</sup> April (4pm – 5:30pm) at Market Weighton Library.

Please come along and discuss any issues or concerns that you may have.
