

FINE ARTS -- DRAMA -- LETTERING POLICY

Students participating in the Fall Musical or Spring Play as cast members and crew members will have the opportunity to earn points toward lettering. A student must accumulate 50 points to receive a letter at the end of the Fall Musical or Spring Play. Any points earned will carry forward to the next year should a student not reach the 50-point goal to achieve a letter.

Rehearsal Attendance:

Cast and crew members earn 1 point for each rehearsal that they are in attendance for. Students are responsible for checking in with the stage manager or senior captain upon arrival to receive credit for rehearsal points.

Set Construction:

Cast and crew members earn 1 point for each hour they are in attendance and working during build days. Students are responsible to sign in and out at each work day to receive credit for their hours. Cast members also agree to put in a minimum of 5 hours during set construction to be eligible for their letter.

Mandatory Rehearsals, Performances & Strike:

At the time of casting when the rehearsal schedule is shared, the calendar will note the date in which rehearsals become mandatory for all cast members. Cast members that miss a rehearsal, performance, or do not attend the strike for the show will not be eligible to receive a letter during that show regardless of whether or not they have accumulated the 50 points for lettering.

Bonus Points:

There are opportunities to earn bonus points toward lettering during the season. These points can be earned from casting of the show through strike of the show.
