Burnaby Wildcats Logos and BFIHA Colour Codes

If your team would like to use the Burnaby Wildcats logo for team-related projects such as banners, player gifts, and spirit wear, or Cricut projects, please keep the following in mind:

- The logo is for team-related use only (not for resale)
- Please do not alter the logo's colours, proportions, or fonts, or combine it with other graphics.
- Please do not add additional graphics or text inside the logo
- Please do not share logo files outside of your team or upload them to public design platforms (Cricut Design Space).

We'd love to see what you come up with! Please send a quick photo or file of your design or mock-up to Katrin at communications@burnabywildcats.ca before you start printing or production. It helps us see how the logo is being used and gather ideas for future merchandise.

Thanks for helping us maintain a professional and consistent look while showing your Wildcats spirit!

Any questions please reach out to Katrin at communications@burnabywildcats.ca.
