

# MAUROGARIH COACHING INFORMATION 2026

My coaching focuses on **in-game habits and work ethics**, we will look into it in detail within our sessions. Right now I'm coaching in the LEC with Vitality right now, so my time is limited.

I have coached every role in 8 years of competitive experience including LFL/EMEA Masters Winner with the best team in the history of ERL's BDSA 2024 with players such as Skewmond and Parus.

I provide coaching for aspiring coaches too.

## LONG-TERM COACHING

Long-term coaching gives you a deeper and more personable experience, enabling you to learn in the best environment possible.

We will VOD review selected games, but we will also study various different VODs, analyse strategies and thought processes, allowing you to improve both your micro and macro knowledge.

My plans are flexible, we can plan and tailor each session to your specific needs.

If you wish to complete all your 10 sessions in a single month, we will if my schedule allows it
