

How to Initiate a Zoom Meeting

1. Go to the zoom website - <https://zoom.us/>.
 - You can also download the Zoom app.
2. Sign in on your account using your credentials or use your google account to sign-in.
3. Once you are signed in, you'll see the home screen. Click on the orange New Meeting button.
4. If you want to start the meeting with your video on, ensure the Start with Video option is checked. If not, uncheck it to start the meeting without video.
5. After initiating the meeting, a new window will open.
6. You will be prompted to choose your audio options. Select Join with Computer Audio if you're using a computer, or Call via Device Audio if you're on a mobile device.
7. You can also test your microphone and speaker before joining the meeting by selecting the Test Speaker and Microphone option.
