COOKING WITH
BACON GREASE

**Don't re-use
bacon
grease...this is
true!**

**I NEVER REALIZED THE
DANGER OF RE-USING BACON
GREASE, UNTIL NOW.**

**HOPE I AM NOT TOO LATE IN
GETTING THIS INFO TO SOME
OF YOU !!**

**We were raised on bacon
grease as kids and even into
adulthood.**

**I will never use it again. I just
threw out my last 2 containers
of bacon grease!!**

**I hope you will throw yours
away whenever you fry bacon
from now on.**

**It seems as though nothing is
safe to eat anymore.**

**This is what happens when you
keep cooking with bacon
grease..**

It could happen to you.

**This is a
warning, send
this to
everyone you
care about .**

**Bacon grease will make your
feet small !**

Warn everyone!
