

**VIVEKANANDA COLLEGE LIBRARY**  
**Annual Report 2014-15**

We believe that each user of the library is **unique and important** and aspire to provide the best possible patron experience.

Library continued to expand its collection. It has reached **60254** by purchasing approximately **1470** books this year. Book bank scheme was also updated according to changes in curriculum this year.

Some good **reference books** were purchased from UGC grant, to enrich the reference section. Membership of **N-List** programme of inflibnet and **Delnet** has been renewed on the basis of the feedback given by the faculty to have access to e-resources. Access to more than  **fifty six databases** is provided through **UGC INFONET** consortium.

Library is already subscribing 48 Journals, including nine (Hindi and English) Newspapers. Two new magazines **“Women Health”** and **“Prevention”** have been subscribed by the library.

In the summer vacation, **complete stock verification** of the library was conducted after a gap of 10 years

**Highlight** of the year is **membership** given to first year students **within a week** of the opening of new session. A separate **Library Identity Card** was also issued to all students. It helped in recording number of visitors in the library.

Library welcomed approximately **44000** members during this financial year. On an average **210** students visited library every day. Approximately **45000** transactions were made in circulation section.

As a result of increase in publicity of Book Bank scheme by library, **597** students became member, to get books issued for whole semester. **1572** books were issued to the students under this scheme. Due to huge response, the scheme was opened **twice in both the semesters**.

Many students did their projects and assignments in the library using our rich collection.

**20** books were borrowed from DELNET on Inter library loan to cope up with new curriculum and to help the faculty. **12** books were given to DELNET also, on Inter Library Loan.

**A library face book page has been created to circulate the information and library notices to the techno savvy users.**
