Gates open at 10:30am. Shine or Rain.

Thank you for applying to be a vendor at the **42nd WINFEST!** **The deadline to apply is September 1st.** This is an information packet with just a few things that we would like for you to know. Also, enclosed access the Vendor Information Form application. This will let us know what you are vending to help us accommodate you best. Booths will be assigned to vendors after the vending fee is received.

Admission: Each vendor booth will receive up to 2 vendor passes with their vending fee.

Setting up: You may set up the night before, but the city of Winslow, Winfest, nor any other workers or affiliates are responsible for your booth or contents. If setting up the evening before Winfest, you'll need to contact us to set up a time. Check in will begin at 8AM the morning of the festival. After checking in, unload all of your merchandise and anything you need to set up, then promptly move your vehicle from the field. All vehicles must be removed from the ballfield by 10:30am.

Day of: Check in will be at the entrance of the event on the east side of the creek beginning at 8AM. You will receive your vendor passes the day of the event when you check in. Check-in will cease at 10:15am (gates open at 10:30am and vehicles need to be parked in the parking area by then). If you do not plan to stay for the entire festival (til 10:30pm), you will be able to leave between 4:00pm-5:00pm with help from the vendor coordinator. You will not be able to pull onto the field during this time. This is for the safety of our patrons traveling back and forth during the festival.

Parking: All vendors will have to park in the designated parking area by 10:30am. When you go to the parking area, you may ask the car parkers to park you in a

convenient spot since you are a vendor and will need to pack up your belongings. If you require handicapped parking, please indicate that on the Vendor Information Form so that we can best accommodate you.

Vendors: On our website are current copies of requirements by the health department for those vending food. They come yearly to inspect any food vendors, so please be prepared for that. Please note on the registration form any electrical needs that you will have. Booth reservations are first come first serve. We try to allow vendors to be profitable by not allowing two of the same type of vending of food so understand if you are declined to vend. Please also note that this is a music festival and if your booth exceeds the height of a normal canopy, you will be placed towards the back of the vending area to allow everyone to enjoy the festival. **We ask that you not sell any items with our name or logo on them as we are a Non-Profit and that cuts into our merchandise that is sold.**
