- This is the apostle Paul from the Bible. In my mind, he represents a strong, driven man who is NOT afraid of hard work, telling the truth, fully focused on his goals, devoted no matter how hard, disappointing, challenging the task is. It's so easy for him because he has a goal (a dream) (a task) and he goes and with sheer focus destroys the task. He walks with confidence and self-respect (NOT cockiness). Loves GOD, loves life, and is excited for his next task. He is generally wealthy and free from this world. This is my idea of success. I know I will get there with HARD WORK.
