NOTES

***Through 1992-93, all teams qualified for the MWC Tournament and that order of finish determined their finish in the league. Grinnell's tourney placings in those years are listed under MWC Finish**

****From 1992-93 through 2013-14, the top two teams in each division (using a divisional tournament initially, then a round-robin format) advanced to the MWC Team Tournament and were assured first through fourth place. The remaining teams' places were determined by singles and doubles points gained at the MWC Individual Tournament.**

*****From 2014-15 on, the top four teams in the regular-season standings advanced to the MWC Team Tournament (In COVID-shortened 2020-21 season, all teams advanced to the MWC Tournament)**
