## Third Grade Behavior Standards

We came up with this list to do our best learning and help our class run smoothly.

- **Treat people the way you would like to be treated**
- **Be a respectful listener; pay attention when the teacher and others are speaking.**
- **Follow directions and instructions to the best of your ability.**
- **Do not distract others from learning.**
- **Keep hands, feet, and objects to yourself.**
- **Always consider an appropriate noise level for the activity.**
- **Show respect for personal and school property.**
- **Learn and play in a safe manner.**
- **Ask and answer questions and participate in conversations in a respectful way.**
- **We are each responsible for our actions and choices.**
- **Always follow Chromebook rules.**
- **Use class time appropriately, focus on your tasks.**
- **Use the restroom during recess, leaving class should be for emergencies only.**
- **Always be kind, be true, and be YOUR BEST SELF!**

Verbal reminders will be issued as warnings; repeated behaviors will result in loss of recess and a message home.
