

Parent Information for International Night

All participants, **please arrive at 5:30pm** to set up your table. We would love for you to decorate your table to honor your country. **Please bring plates, bowls, napkins, forks, spoons, or whatever else you may need to share your dish.** These will not be provided by the International Night committee. All tables, dishes, artifacts, etc. must be cleaned up by 7:30 PM.

There needs to be **at least one adult at each table throughout the night.** If you are the only parent for the table, we will try to have Student Council members come check in with you during the event.

Please **label or have an explanation** of the artifact or food on the table. **Index cards will be provided** so you can write this information down and display it. If you are bringing a food dish, please have the ingredients written out for display.

We will be providing each country with **flag stickers** for students to add to their passports when they come to visit your table.

The **Fashion Parade** will start at 7:00. A card will be sent home to all the students participating. We will line students up starting at 6:45 in the hallway near stage door.

Performances may be no longer than 5 minutes each. Your child should be at the stage door ready to go 15 minutes before their performance. If they are not there on time, we will move on and will only have the opportunity to perform if there is extra time at the end of the performances. Please send in any music to be used by March 9th to Ms. Welch so we can make sure it works on the sound system. We look forward to learning about your country.
