

Aluminum foil

Balls (all different sizes and types) (marbles are NOT great as too small to transfer energy well)

Cardboard Flattened

Cars (Hot wheels, RC Cars, Tonka Trucks)

Domino Items (NOT actual dominoes - Books, binders, DVDs, etc work far better than small dominoes)

Duct tape

Foam boards

Foam pool noodles

Funnels

Hinges

Hot Glue Gun Sticks for mini hot glue guns

Magnets

Paper towel rolls

Pencils and pens

Gallon water jugs

Plastic cups

Plastic hoses (vacuum hose, dryer tubing, pop-it tubes, hamster cage tubes, etc.)

Popsicle sticks (EXCELLENT)

String or Rope (avoid yarn and fishing line)

Old Towels

Zip ties (LOTS, excellent to attach to any surface)
