

Privacy Policy

Effective date: March 25th, 2022

Plejader Games ("us", "we", or "our") operates the website or application (the "Service").

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Definitions

- **Service**

Service means the website or application operated by us.

- **Personal Data**

Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

- **Usage Data**

Usage Data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

- **Cookies**

Cookies are small pieces of data stored on your device (computer or mobile device).

- **Data Controller**

Data Controller means the natural or legal person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal information are, or are to be, processed.

For the purpose of this Privacy Policy, we are a Data Controller of your Personal Data.

- **Data Processors (or Service Providers)**

Data Processor (or Service Provider) means any natural or legal person who processes the data on behalf of the Data Controller.

We may use the services of various Service Providers in order to process your data more effectively.

- **Data Subject (or User)**

Data Subject is any living individual who is using our Service and is the subject of Personal Data.

Information Collection and Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

- Nickname of your choice
- Password of your choice

We may use your email address to contact you with system messages related to app login failures such as forgetting your password. We may also send you emails with newsletters, marketing or promotional materials and other information that may be of interest to you. You may opt out of receiving any, or all, of these communications from us by following the unsubscribe link or instructions provided in the email we send.

Security of Data

The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal

Data, we cannot guarantee its absolute security. We do, however, encrypt all sensitive data on our servers, such as passwords.

Delete Account

Removal of an account from our servers is possible by contacting plejadergames@gmail.com. When you delete your account, your data such as your nickname, password, game results and a backup of your game data will disappear from our servers. Inactive accounts are deleted from our server after 12 months.

Service Providers

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), to provide the Service on our behalf, to perform Service-related services or to assist us in analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Analytics

We may use third-party Service Providers to monitor and analyze the use of our Service.

- **Unity Analytics**

Unity Analytics is a service that allows you to collect game data

For more information on the privacy practices, please visit the Unity Privacy & Terms web page: <https://unity3d.com/legal/privacy-policy>

Advertising

We may use third-party Service Providers to show advertisements to you to help support and maintain our Service.

- **Unity Ads**

For more information on the privacy practices, please visit the Unity Privacy & Terms web page: <https://unity3d.com/legal/privacy-policy>

Personalized Ads

Upon your consent, our third-party ad providers will use some information they collect from you to show you ads that would be more interesting to you. Before the first ad is displayed, you will be asked to allow personalized ads.

Payments

We may provide paid products and/or services within the Service. In that case, we use third-party services for payment processing (e.g. payment processors).

We will not store or collect your payment card details. That information is provided directly to our third-party payment processors whose use of your personal information is governed by their Privacy Policy. These payment processors adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, Mastercard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of payment information.

The payment processors we work with are:

- **Google Play In-App Payments**

Their Privacy Policy can be viewed at <https://www.google.com/policies/privacy/>

Links to Other Sites

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Changes to This Privacy Policy

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
