2nd Grade Monthly Newsletter

February

Important Upcoming Dates:

- No school on 02/14 compensation day for teachers
- No School 02/17 Presidents Day

CORE CLASSES

Math	Reading/Writing
Students have been working on measurement Data(students use measurements to create a Line plot) and Categorical Data (students interpret and create bar graphs). We are also always practicing adding and subtracting one and two digit numbers. Soon we are going to continue working adding and subtracting 3 digit numbers. Please keep practicing at home.	**Students are reading** "The Earth Dragon Awakes" which is a realistic fiction book and "Seek the Sun". Students will understand that characters face challenges and how these challenges lead to changing people. **In writing,** students will create narrative texts that include challenges and characters' responses to those challenges.
Homework Practice	**Fundations**
• Addition and Subtraction fluency • Practice reading • Read outloud nightly to a family member (15 minutes) • Remember to bring your headphones to school.	We are working on sounds, tapping out sounds and blending them back together in our reading and writing. We have just finished reviewing r-Controlled wolves. In the next weeks we are going to be working with vowels teams
