

This is a form that you can use to get permission to expense my [Creator Economy newsletter](#).
Thank you so much for your support.

Hi **[name of manager]**,

I'd like to expense a subscription to a [weekly newsletter](#) that helps tech professionals level up their product skills and understand creator businesses.

It costs \$150/year (\$15/month) and has many great guides and interviews on topics such as [community-led product development](#), [product strategy](#), [generative AI use cases](#), and more.

100,000+ PMs, engineers, and tech professionals subscribe to it.

Let me know if you're fine with this.

Thanks,
