

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Values

“Mind knows quantity, reality, meanings. But quality—values—is felt. That which feels is the mutual creation of mind, which knows, and the associated spirit, which reality-izes.”

價值

「心智知曉數量、實相和意涵，然而品質——即價值是被感知的。心智聯合屬靈，共同創造感知；心智知曉，屬靈實相-化。」
