- synthy/glitchy stings for scary
- maybeee a lil synth in the bg

Last scene (about 3:00-4:00 but i need to figure out how to extend time :()

- bubbly sound opening on shot of Leandro swimming
- then begin childish happy tunes with the shot of the fish and then begin guitar
- build up to scary with synth and buzzy sounds (aBEE) like before starting with the shot of grass
- scratch record meme (not really)Leandro stops the dramatic build up with the whole "wait a second, you okay?"
- happy final tune begins with the fish replying she's okay :)
