

# GREAT CAREERS NETWORK

## YOUR CAREER OUR MISSION

To provide career education, resources, support services, and networking connections to individuals, including veterans. We serve the unemployed, the underemployed, the self-employed, and the employed, as well as the organizations (businesses and nonprofits) that may employ them. Whenever possible, we focus on the underrepresented, those unique in entering the civilian workforce, and the disadvantaged (including minorities, gender identity populations, Veterans, and those impacted by ageism). Why? Everyone deserves an opportunity to earn an income.
