Note: Not all of the open classes will occur at the same time as the weekly subunit practices. Practice times and subunit leaders are linked below. If you are unable to make the open class, please contact the respective subunit leader(s). Thank you!

### General Notes:

- Subunit Matching form opens on Sunday 9/8 @11:59 pm and closes Friday 9/13 @ 11:59 pm! **If you want to join a subunit this semester, you have to fill out the subunit matching form.**
- **Do not fill out the form** if you are unavailable for our showcase dates: Friday, November 22nd and Saturday, November 23rd
- **Do not rank** any subunits whose practices you can't attend
- We have **changed the rules** for maximum subunit participation. Please carefully read the below subunit processes.

**Practice Times and Subunit Leaders (by subunit):**  KPDC F24 Subunits Leaders can be reached via Discord DM or email.

### Open Subunit Process:

1. Your "audition" video is filmed after the open class
  - a. If you were unable to attend the open class but still want to be considered for the subunit, please contact the leader!
2. Based on your video, the leaders will determine whether you are a beginner, intermediate, or advanced dancer.
3. You fill out the subunit form and rank which open subunits you want to be considered for.

- a. You must fill out the subunit matching form to be considered for any subunit.
  - b. You can only rank subunits for which you've attended the open class or contacted the subunit leader.
4. We accept dancers into the subunit based on mutual responses from the subunit leader's and dancer's rankings (within each skill level). We ensure that every open subunit has a fair distribution of beginner, intermediate, and advanced dancers, with a majority of beginner/intermediate dancers.
5. **You may only participate in one open subunit. Please keep this in mind when you are making your rankings.**

#### **Audition Subunit Process:**

1. Your audition video is filmed after the open class
  - a. If you were unable to attend the open class but still want to be considered for the subunit, please contact the leader!
2. You fill out the subunit form, list the audition subunits you want to be considered for
  - a. You must have filmed after the open class or contacted the leader to arrange something else to be considered
3. We accept dancers into the subunit based on the leader's evaluations of the auditions.
  - a. **You may only participate in a maximum of two audition subunits. If you choose to be in 1 open, you can still participate in a maximum of two audition subunits.**
  - b. **The DS piece (Maestro - Seventeen) is an exception to the above rule. It will not count toward the audition limit.**

This means you can be in **1 open max and 2 auditions max, as well as the DS piece.**

#### **FAQs:**

What is the subunit matching form?

- The subunit matching form lets us know what subunits you are interested in joining. You must fill it out to be considered for subunits. This is not the same form that you filled out at the open class.

When should I fill out the form?

- The form will be open on Sunday 9/8 @ 11:59 pm and closes Friday 9/13 @ 11:59 pm. Because of the matching process, the time at which you fill out the form will not impact your chance of getting into a subunit.

How will I know whether I got into a subunit?

- You will receive an email the following Sunday or Monday if you get accepted into a subunit. Due to the number of dancers applying, we will not be sending rejection emails for open or audition subunits.
