

## Safety Patrol Contract

I will....

Report to duty on time. Safety patrol advisors and officers understand that members have no control over the bus times, however, loitering in the hallways and not reporting to duty will not be tolerated.

I understand that posts may change at any time.

Set a good example by observing the rules at all times.

Complete all classwork and homework

Be cooperative and courteous with teachers, parents, and other students in school.

Set a good example. *I understand that I will be held to a higher standard.*

Wear my safety belt correctly while on duty. Belts must be worn to school every day. Belts must be kept clean.

Attend and participate in all patrol meetings and training sessions when offered.

I understand the 3 strikes rule. Belts will be taken if these rules are not followed.
