

Haaaave You Met My Maps?

Jeffery Heil

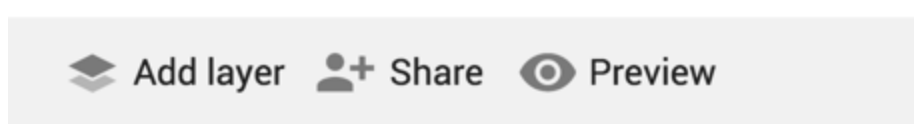

Finding My Maps (3 ways): Maps, MyMaps, Google Drive

Locations/Markers: Search(Add Marker) vs. Add Marker on tool bar

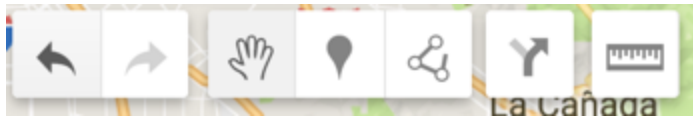

Tools/Map Panel

Layers: Purpose, Rename Layers, Add Layers

Share/Collaborate: Share link or Add collaborators

Preview: public view

Tool Bar

Undo/Redo: step forward or backward

Select (the hand): Move the map/map view for the creator

Marker: Add a marker to your map by clicking on a point on the map

Line Tool: Draw line/shape on the map or Add driving, biking, or walking routes (all directions automatically create a separate layer on your map)

Add Directions: Create a layer that allows the typing of locations right into the layer

Measure: Measure distance or area on your map (temporary, not part of the map)

Base Map: (bottom of the edit panel) Change the underlying view of the map itself.

Notes

Your Job, if You Choose to Accept it:

 The logo features the words "MISSION: IMPOSSIBLE" in red, bold, italicized capital letters. A large black "X" is superimposed over the word "IMPOSSIBLE". Below this, the words "MAPS PROTOCOL" are written in a large, white, 3D-style font with black outlines. The text is set against a background of a blue and white globe on the left and a red, brush-stroke-like trail on the right.	
Line Tool:	<ul style="list-style-type: none"><input type="checkbox"/> Using the line tool (polyline), prove that Minnesota is bigger than Iceland. Approximately how much bigger is it?
Directions/Line Tool	<ul style="list-style-type: none"><input type="checkbox"/> Directions Tool: Give driving directions to The San Diego Zoo from your house. How long would it take you to drive there?<input type="checkbox"/> Line Tool: Add a walking and a biking route from JMU to the San Diego Zoo<input type="checkbox"/> How long will it take you by car? Bike? Walking?<input type="checkbox"/> Label each layer, Driving Directions, Biking Directions, Walking Directions
Task: Where I Went to School	<ul style="list-style-type: none"><input type="checkbox"/> Add a layer and call it, "School." Add placemarks for your

	<p>elementary, middle, high school, and college (change the marker to something appropriate for each school's mascot)</p> <p><input type="checkbox"/></p>
Task: Favorite Places	<p><input type="checkbox"/> Add a layer and call it, "My Favorite Places." Add at least three of your favorite places. For each place:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Add a marker <input type="checkbox"/> Change the color of one marker <input type="checkbox"/> Change the shape of one marker <input type="checkbox"/> Add a custom marker to one place <input type="checkbox"/> Add at least 3 images or videos (if you have your own pictures, that would be awesome) <input type="checkbox"/> Describe each place, what makes it special, and one recommendation for someone who may visit
Import Data: Resource: Collaborative Map Awesomeness	<p>Complete the following form:</p> <p><input type="checkbox"/> First Concert</p>
Data Table	<p><input type="checkbox"/> Learn how to edit data table</p>
Share Map:	<p><input type="checkbox"/> Share the link to your map (ensure you have changed the sharing permissions) HERE!</p>
