

Holiday Hats

Elf Hat

Candle Hat

Kwanzaa Hat template

Tree Hat

Directions:

Collect festive materials, glue and tape.

Take one piece of ribbon and measure the circumference (distance around) your head.

Use one cardstock to create a base that is the size of your ribbon to fit around your head.

Create a festive holiday hat to wear this season and attach it to your base. Take a picture and send it to your STEM teacher.

Suggested materials you may use for your project include:

- Red, white, blue, black and green cardstock or paper
- Glitter
- Ribbon
- Scissors
- Glue
- Jingle bells
- Tissue paper (ours had glitter)
- Tape
- Candy canes
- Cotton balls
- Paper plates
- Foil wrapping paper
- Any festive materials you may have at home.
