

Race Tracking with SailPro

Information for Competitors

For this event, [Yacht Club / Organising Authority Name] will be using SailPro RaceHub, a race tracking tool designed to allow friends, family, and supporters to follow racing live online.

Participation Status (Organiser to Select)

Please note that for this event, participation in SailPro RaceHub is:

- ☐ Mandatory for all competitors
- ☐ Optional for competitors

(The Organising Authority should delete the option that does not apply)

What is SailPro?

SailPro is a free sailing app available on both Apple and Android devices. One of its features, RaceHub, enables live race tracking using your mobile device.

How It Works

1. Download the SailPro app from the Apple App Store or Google Play
2. Create a free SailPro account
3. Enter the race using the Race Token provided by the race organiser
4. If participating, your boat's position will be shared live during the race

Race Schedule, Tokens and Live Links

Competitors should use the Race Token corresponding to each race or day listed below. The Live Race URL can be shared with friends and family to watch racing live online.

Race / Day	Race Token	Live Race URL

Why We Are Doing This

- To allow friends and family to watch racing live online
- To enable post-race review and replay
- To help promote sailing and club events to a wider audience
- To provide race tracking without the need for dedicated onboard equipment
- Provide another level of safety and competitor location access.

Important Notes

- SailPro RaceHub is not a navigational aid
- It must not be relied upon for safety, collision avoidance, or navigation
- Normal racing rules and responsibilities remain unchanged
- Competitors remain fully responsible under the Racing Rules of Sailing.

Getting Started

If you don't already have SailPro you can download it for FREE from either of the following app stores:

Apple App Store:

<https://apps.apple.com/us/app/sailpro/id6505048217>

Google Play Store:

Race Competitors - How to 'Join A Race'

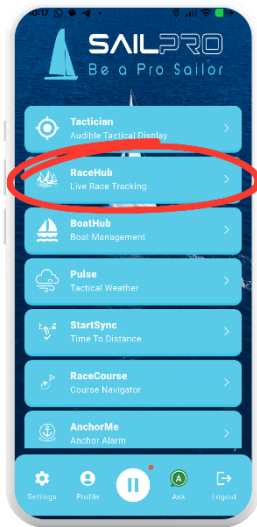

To join the race/s, you'll need the **6-digit Race Token** shown in the table above.

PLEASE NOTE: TO 'JOIN' A SAILPRO RACE REQUIRES A 'SAILPRO' ACCOUNT AND THE 'FREE' VERSION OF SAILPRO INSTALLED ON EITHER AN ANDROID OR APPLE DEVICE

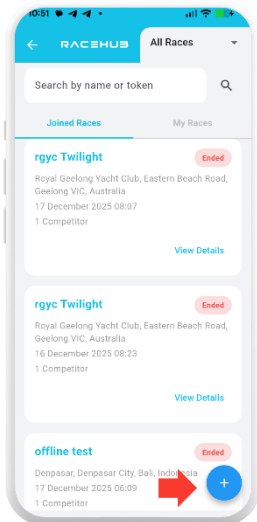

Competitors should **enter each race in SailPro before the race day/regatta**. You can join races **at any time leading up to the regatta**—just enter the token for each race you plan to sail, and you'll be ready to go when racing starts.

Please follow the steps below

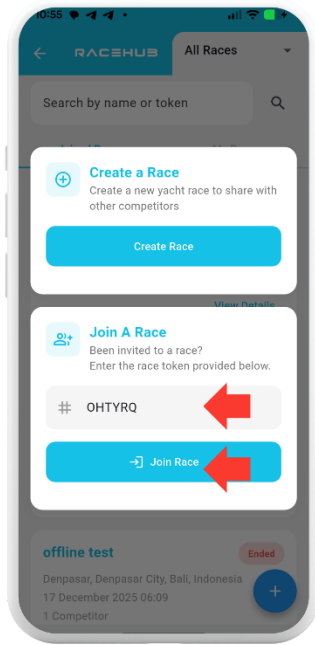

1. Within SailPro's Home screen click 'RaceHub'

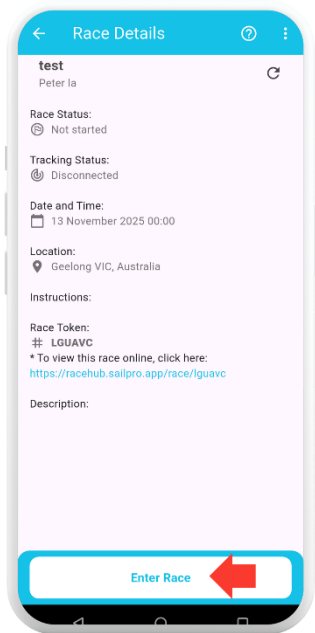

2. Click the + button on the bottom left of the RaceHub screen

3. In the 'Join A Race' field enter the Race token provided (eg. QHTYRQ) and click the 'Join Race' button.

4. Click the 'Enter Race' button

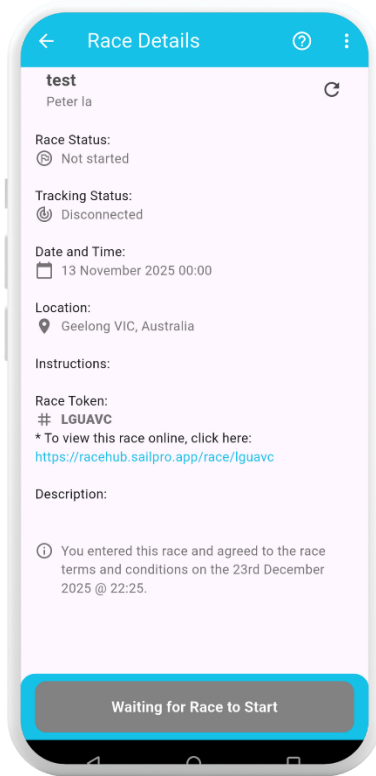

5. Enter the Skippers First and Last Name and select your boat from the drop down box. If no boat exists click '+ Add a new Boat' and enter the mandatory fields.

The screenshot shows the 'Enter Race Form' app interface. At the top is a back arrow and the title 'Enter Race Form'. Below it is a text input field for 'Skipper Name' with the placeholder 'First and Last Name'. A red arrow points to this field. Below the skipper name is a dropdown menu for 'Boat Name' with 'Reef Knot-2' selected. A red arrow points to the dropdown. Below the boat name is a section for 'Special K' with a text input field for 'Gatsby'. Below that is a text input field for 'test boat v3.12.144'. Below that is a button labeled '+ Add a new Boat' with a red arrow pointing to it. At the bottom of this section is a checkbox labeled 'agree to:' followed by a blue link 'Race Competitor Acknowledgment'. Below this is a blue 'Submit' button.

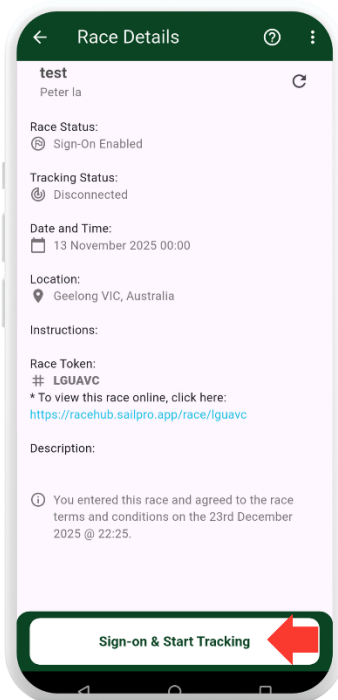

6. Complete the 'Enter Race Form' by entering your Sail Number, POB and accepting the T&C's, and click 'Submit'

The screenshot shows the 'Enter Race Form' app interface, continuing from the previous screen. The 'Skipper Name' field now contains 'First name Last Name'. The 'Boat Name' dropdown now shows 'Gatsby'. Below this is a text input field for 'Sail Number' with a '#' icon and the value '123'. A red arrow points to this field. Below the sail number is a text input field for 'Number of Person On Board' with a person icon and the value '2'. A red arrow points to this field. Below the number of people is a checkbox that is checked, followed by the text 'By entering this race, you acknowledge and agree to the' and a blue link 'Race Competitor Acknowledgment'. A red arrow points to the checked checkbox. At the bottom is a blue 'Submit' button with a red arrow pointing to it.

7. You have now successfully 'Entered' the race.

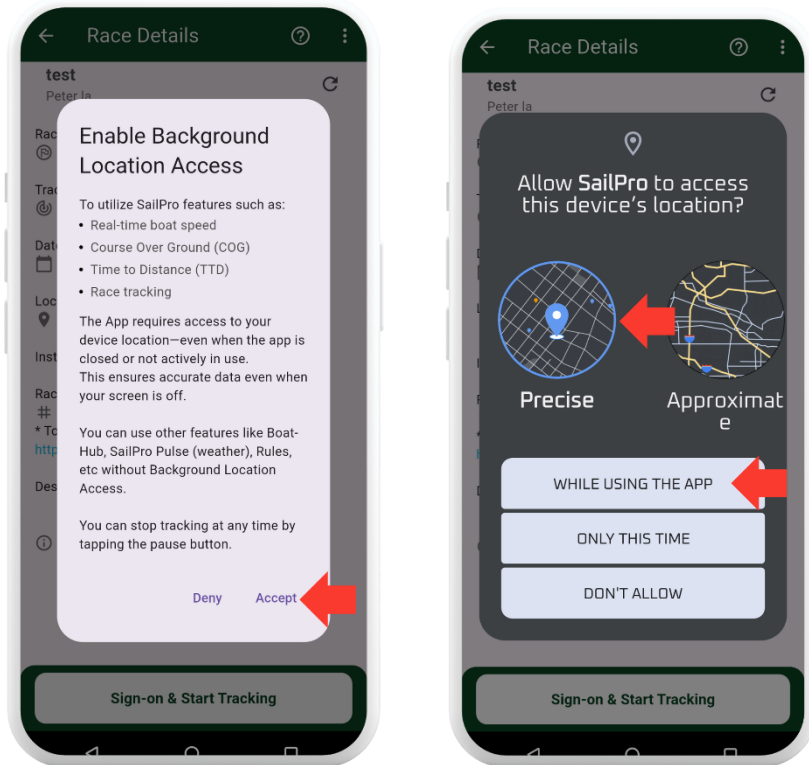

8. **Once** the race Organiser has enabled 'Sign On' you (Typically the day of the race you can click 'Sign-On & Start Tracking'. You must do this for each race you have entered.

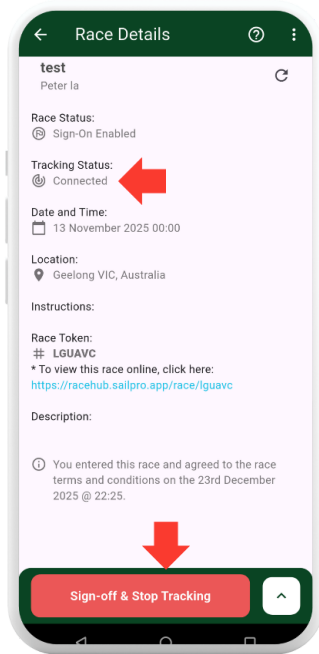

9. Click 'Accept' to enable 'Background Location Access' and IF you haven't already done so, click 'Precise' and 'While Using The App'. Your device shall now connect to the SailPro RaceHub Server and start transmitting race data (Lat/Lng, Boat Speed and COG Data). You can now turn your device screen off and SailPro shall continue to transmit sending data.

PLEASE NOTE: If you stop SailPro from transmitting your device shall disconnect from the Race Server and prevent SailPro from sending race data.

10. Post Race - When you have finished racing you can click the 'Sign off & Stop Tracking Button' to stop transmitting.

SailPro FAQ's
