Gun Control

The second amendment says that you can own a gun, but some people abuse this right to kill or abuse other people. All people have the right to own a gun but only use it for hunting food or any other situation where a gun is needed for survival. They say that the only people that are allowed to use the guns for killing are the military people. Hillary clinton is not favor with guns in America because there is too much killing in America . Donald Trump is in favor with guns in America because they could have guns everywhere.

First , Hillary Clinton's position on gun control is against guns . According to google "More than 33,000 Americans are killed by guns each year. As President your future , "I'll take on the gun lobby and fight for commonsense reforms to keep guns away from terrorists, domestic abusers, and other violent criminals—including comprehensive background checks and closing loopholes that allow guns to fall into the wrong hands." This means that she will not want to have no more guns in America , and has future president she says that it is wrong to have this time of gun in our lives "I believe weapons of war have no place on our streets . We may have our disagreement on gun safety regulation , but we should all be able to agree on a few thing ." She says that in twitter.

First , Donald Trump is a , the republican candidates favors less gun control . "Democrats want to confiscate all guns, which is a dumb idea because only the law-abiding citizens would turn in their guns and the bad guys would be the only ones left armed." Trump wrote in a book in 2000. In other words , "If somebody is on a watch list and an enemy of state and we know it's an enemy of state, I would keep them away, absolutely." In some night clubs Donald says if they should guns with them because he says to protect of all the killing that is happening in the night clubs. He says " On Friday suggested that the Orlando nightclub massacre victims could have stopped the attack or lessened." This means that orlando should not have any guns in orlando any more . Also the last time that orlando have guns in there area was a killer therein that area .

In conclusion, Donald Trump is in favor with gun control , and Hillary Clinton is not in favor with gun control . Citizens using guns for other purposes in life that will hurt the people around us and will also hurt you more than the others . Hillary says that she want to banned the guns in the U.S.A she also wanted them banned in clubs , too . Donald wants guns in the U.S.A and even in clubs that are night . So what, do you think the next president will be and who is right in gun control?
