- Cast through invisible sound
- Tame and skin the beast
- To live for tomorrow's time

- In the west near the rock mount
- A lodestone pulls opposing sides closer
- The fallen signals war
- And guidance for the coming maelstrom.

Omega 4:

- Into the void must go the twice-bless'd man
- Seek the hammer, as the seeker has sought before;
- In the courage to end, find the beginning
