

Nodes Service Provisioning Beyond 2016

Node	Will continue? Till when?	Comments
Brittany	Yes Until end 2018	Part of FI-Next
Budapest	Yes Till end of March 2017	We are also committed to continue after March 2017, if we find additional funding, otherwise the Budapest node will be closed.. As from Gábor's email (March 28) they are still looking for a way to remain in FIWARE Lab.
Crete	Yes - Dec. 2017	With the existing infrastructure
Genoa	Yes - Dec. 2017 (maybe beyond)	We plan to continue beyond 2017 if we find additional funding
Hannover	Not beyond January 2017	We plan to continue beyond January if we find additional funding As from Giovanni's indication they are coming back to FIWARE Lab with a renovate team.
Lannion	Yes 2017 and beyond (see comment)	2018 if a sustainable business model is in place for the Lab
Messina	Yes - foreseeable future	
Mexico	Yes 2017 and beyond	We plan to continue beyond 2017, also we are planning launch the Commercial Node.
PiraeusU	Yes - June 2017	By end of May 2017, all users that will exist on the node, will be move to other commercial nodes that will remain on FIWARE
Poznan	Yes - June 2017	Longer if funded. Users shall migrate to our commercial FIWARE node.
Sao Paulo	Yes - Dec. 2017 (maybe beyond)	We plan to continue beyond 2017 if we find additional funding
SophiaAntipolis	Yes - June 2017 and beyond	All users were moved to Sophia Antipolis 2 We plan to continue beyond 2017 if we find additional funding (in the next 6 months). all users that will exist on the node, will be moved to commercial Things2data node that will remain on FIWARE
Spain	Yes - Dec. 2018	Part of FI-Next

	(hopefully)	
SpainTenerife	Yes - Sep 2017 (and possibly beyond)	Part of FI-Next, We hope to continue beyond Sep 2017 depending on support from other projects.
Trento	Not beyond 31/12/2016	We plan to complete the user migration during January 2017
Vicenza	YES - Dec 2017 (maybe beyond)	We are part of FI-Next but at the moment we do not have funding to continue further. A new sustainability model should be found
Volos	Yes - Dec. 2017 (maybe beyond)	We plan to continue beyond 2017 if we find additional funding
Wroclaw	Yes - Dec. 2017 (maybe beyond)	We plan to continue beyond 2017 if we find additional funding
Zurich	Yes. Dec 2017.	Likely continue past this.
ZurichS	Not foreseen beyond 31 December 2016	Shutdown announced; started migrating users to other nodes (situation in Feb 2017)
