

4th Grade Remote Learning Choice Board

Complete one activity from each column on every inclement weather remote learning day. These activities should take 1-2 hours total to complete each remote learning day. Literacy, Math, and Science/SS activities should be submitted to classroom teachers within 5 school days to be counted present for the day.

Literacy	Math	Science/SS	Physical Activity	Music & Art
<p><u>Summarize</u> Read for 30 minutes <i>Fiction:</i> write a summary about what you read using the "somebody... wanted... but... then..." strategy. <i>Nonfiction:</i> Determine the main idea of the text you read and explain how it is supported by key details.</p>	<p><u>Area & Perimeter</u> Plan and create your dream house to include at least 5 rooms. Determine the area and perimeter of each room. Ex. Khan Academy video</p>	<p><u>Traditions</u> Interview a family member or friend about their holiday traditions. Write down your questions and their responses.</p>	<p><u>Let's Play Basketball!</u> <ul style="list-style-type: none"> • 10 imaginary jump shots • 5 imaginary dunks • 5 crossover dribbles • 5 imaginary passes Repeat 2 to 5 times</p>	<p><u>Favorite Animal</u> Create a song, poem, or rap about your favorite animal. Include at least 8 lines.</p>
<p><u>Snowstorm Survival</u> Read for 30 minutes. Write about a situation where you are lost in a snowstorm. What 5 objects would you want to have with you? Write a sentence for each object explaining what object you would choose and why.</p>	<p><u>Be the Math Teacher</u> Teach a family member one of the math strategies you've learned at school (ex. area model, partial products, partial quotients).</p>	<p><u>Weather Observer</u> Look or go outside and observe the weather. Write a paragraph about the changes you observed. (ex. the position of the moon/sun, temperature changes, precipitation amounts, etc).</p>	<p><u>Freeze Dance</u> Designate someone as "DJ," to play and stop the music. When the music stops, freeze like a posed statue until the music starts again.</p>	<p><u>Song Book</u> Create a song book of your TEN favorite songs. Record your favorite line from each song.</p>
<p><u>Comic Strip</u> Read for 30 minutes. Create a comic strip version of what you read with at least 5 frames/boxes.</p>	<p><u>Garden Design</u> Seeds come in packs of 12. You have 2 tomatoes, 4 peppers, and 3 cucumber packs. Draw and label an array to show your garden. Write an equation for the whole garden.</p>	<p><u>Tourism</u> Create a brochure to promote tourism in Concord, NC. Think about historic sites and geographic features that might be of interest to someone visiting.</p>	<p><u>Stretch</u> Sit on a yoga mat or comfortable floor. Do 10 minutes of stretching exercises</p>	<p><u>Collage</u> Create a nature collage using items in your home.</p>
<p><u>Poem</u> Read For 30 Minutes. Write a poem describing how the view around your home changes when there is a big snowfall. Write about what you see before and after it snows. Be sure to include specific sensory details and figurative language.</p>	<p><u>Word Problem</u> Write a word problem for the following equations. $7 \times 4 =$ $56 \div 8 =$</p>	<p><u>Nutrition Labels</u> Use the nutrition labels on your food to calculate and record the total number of carbs from 3 items of packaged food such as a box of cereal, a canned good, and a beverage.</p>	<p><u>Cross the River</u> Jump back and forth over an imaginary line 40 times. Challenge: Time yourself and try to beat it.</p>	<p><u>History</u> Draw and color a picture that represents the most important characters and events during the civil war. Remember to represent both the Union and the Confederate sides of the war.</p>
<p><u>Setting</u> Read for 30 minutes then think about the main character and the setting of the book you are currently reading. Write a paragraph describing how the setting impacts your character's thoughts and feelings.</p>	<p><u>Fraction Recipe</u> Create an imaginary recipe using at least 5 different fractions and mixed numbers. Add the fractions to find the total amount of ingredients used.</p>	<p><u>Create</u> Create an original play, poem, or song about a person or event from North Carolina.</p>	<p><u>Sits Ups</u> See how many sit-ups you can do in 60 seconds. Take a break and try it again! Repeat 3 times.</p>	<p><u>Sing Along</u> Write a song to help you remember your multiplication or division facts.</p>

****Enrichment Activities****

The enrichment activities further build on the core curriculum for 4th Grade.

These activities are optional.

★ ELA Family Discussions - Use the prompts below from 4th grade curriculum topics to use as topics for family discussion:

- What makes a great heart - literally? What makes a great heart - figuratively? How does someone show a great heart?
- How does a challenging setting or physical environment change a person? What makes a mountainous setting extreme?
- Why is it important to understand all sides of a story?

★ Math - Discuss ways to solve the following math prompts:

- Create an addition and subtraction word problem using two 3 digit numbers. Solve the problem and explain how one might solve the problem in your own words.
- Andrew and Malachi drank 500 fluid ounces of water on their hike. What possible combinations of water could Andrew and Malachi have each drunk while they were hiking? Give at least 3 possible combinations.
- Lauren rolled the following numbers with a set of dice: 3, 4, 6, 2, 5. She wants to create the largest number possible. What could be the number and why? What happens if she wants to create the smallest number possible?
