INSTRUCTIONS:

Assemble your suitcase. Using Memento and Pumpkin Pie ink and daubers dirty up the edges

You will want **4** Pumpkin Pie pieces $2\frac{3}{4} \times 3\frac{3}{4}$.

2 Pumpkin Pie pieces $1 \times 2\frac{3}{4}$

1 Pumpkin Pie piece $1 \times 3\frac{1}{2}$

Smokey Slate piece $2\frac{5}{8} \times 3\frac{5}{8}$ - embossed with Exposed Brick embossing folder.

2 DSP pieces $2\frac{5}{8} \times 3\frac{5}{8}$

Basic White $2\frac{5}{8} \times 3\frac{5}{8}$ - Stamp Sentiment and Bats in Memento and Stars in Crushed Curry.

2 DSP, different from above, $\frac{7}{8} \times 2\frac{5}{8}$ and $\frac{7}{8} \times 3\frac{3}{8}$

Glue coordinating DSP and Cardstock pieces.

Plus some strips of Basic White around $\frac{3}{4}$ inch for Mummy wrapping. Rip the sides of these cut to size later.

Stamp 'Don't worry, East Sweets' sentiment on the inside flap with the slot for the suitcase handle in Memento and Stars in Crushed Curry. Glue the two inside pieces.

You will Stamp that same sentiment on the outside of this flap in Pumpkin Pie. Also, adding the stars. See photo below.

Using the Memento and your dauber dirty up the edges of your ripped Basic White strips.

Die Cut out the tombstone in Basic Black, fold on score. Using a small scrap, I used Pumpkin Pie, folded in half ($\frac{1}{4}$ x 2 inch piece). This will secure your standing tombstone on the top. Using the Mummy strips to

hide the folded cardstock.

Figure out where you want the Wiggle Eyes and arrange your mummy stripes. Rip the cardstock edges and dauber once they are the desired lengths. Secure stripes with Glue/Dimensionals.

Adhere your outside layers with glue.

Using a $\frac{3}{4}$ x 2 piece of Basic White Stamp your Spooky, Add Black and Gray Bakers Twine.

Secure with glue dots and dimensionals.

Add your treats!

Hugs and Have a Great Day getting Crafty!!
