Thanks for using Tabata timer Interval timer!
Here we describe what data we collect and why.

Tabata timer Interval timer doesn't have a server so it doesn't store your personal information anywhere. It doesn't have access to your contacts, sms messages, list of installed apps, camera, microphone, and other sensitive data.

Like millions of other apps Tabata timer Interval timer uses Google Analytics to collect usage statistics to improve user experience. It collects information about how often you use the app, what options you have enabled and disabled in the settings, which buttons inside the app you pressed.

All the data are anonymized, it means there is no way to associate the data with your personality to identify you. The data help us to remove unused options from the settings, to analyze which options are most used and decide how to improve the app.

All the data are stored by Google on their servers. Only developers of this app have access to the Google analytics account and able to see and analyze the data.

You can find Google Analytics Privacy Policy and Terms of Service here:

All subscriptions with Tabata Timer Premium are paid in advance.

Subscription fees can be found on Tabata Timer Appstore page and in mobile application. Tabata Timer reserves the right to change the subscription fees from time to time. All payments handled by Apple, such as in-app purchases, can be refunded by Apple and with Apple's consent.

Your subscription renews automatically unless cancelled at least 24 hours prior to the end of the current period and cancellation of the current active subscription period is not allowed.

Auto-renewal may be turned off in your Account Settings in iTunes after purchase. You can also manage your subscriptions in Account Settings after purchase.

As you can see the whole list of third party services which may collect your data is limited by Google. It provides the best security for your data.

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately, after they are posted on this page.
